

GOOLE & HOWDEN BRANCH

The Branch holds its meetings on the 1st Thursday of every month in the Charter Club in Goole and we are attended by our staunch branch supporters and SNCO's of Cadet Affiliation.

Our Branch standard was paraded by Mr I McLean at the funeral of the late Cpl Matthew Strenton at Catterick Memorial church on 24th August 2010.

The President, Chairman and branch standard and members of the branch attended the Mariners Association Memorial service on 5th September 2010 at Lock Hill in Goole.

The Branch will be organising a fundraising event in November, details are yet to be confirmed.

And like all other branches our efforts are now focused on the Poppy Appeal.
