The Concert is in support of The Royal British Legion and Help for Heroes.

Schools

The County Office is looking to organise Schools visiting “teams” to give talks on Remembrance, the Poppy and the work of the Legion.

It is expected that many Branches already have such a school visitor(s) from within their ranks, therefore the County Office would like to co-ordinate all those current “teams” so that when a school requests a visit the nearest available team can be contacted.

The County Office has equipment that can be used to give “visual” talks, and any necessary training in the use of the equipment or schools talks presentations available can be given by the County Training team.

Would all Branches please advise the County Office of any Schools visitors they already have, and which schools they go to.

If you have schools in your area who would like a visit, and you do not have any visitors in your Branch, please let the County Office know and we will try to arrange visiting teams for next year.
