

OUR CARE

Our trained staff care for each resident as a unique individual. They are treated with respect, dignity and freedom of choice, in a safe, well-equipped environment which feels like home.

Each resident has a care plan specific to their needs, as well as a named nurse and/or keyworker. We are also supported by an excellent catering, domestic, laundry, administration and maintenance team.

We provide a wonderful setting for people living with dementia to relax, find things to do and be themselves. The specialist staff are chosen for their experience and the special support they offer to people with dementia.

OUR ACTIVITIES

The social side to life at Galanos House is very important. Our wellbeing team make sure there's always lots to look forward to, including quizzes, art and craftwork, dancing, singing and concerts.

Guests are always welcome to join residents for a meal in the dining room. Our in-house cinema and bar add to the residents' enjoyment.

Camaraderie, social interaction and helping our residents pursue their hobbies and interests play a big part in the day-to-day life of our home.

WHO CAN STAY?

The Royal British Legion has six care homes which provide short and long-term care for serving and ex-Service people and their dependants. Situated around the country, they offer a wide range of services including four with specialist dementia care.

Each home is registered with the Care Quality Commission, and has a Statement of Purpose and Resident Guide (available on request) which clearly define the care and services provided.

Our care home communities include men and women of varied ages and abilities. Our homes are exclusive to ex-Service people and their dependants, so there is always a special camaraderie.

WE ARE THE ROYAL BRITISH LEGION

The Legion is at the heart of a national network that supports our Armed Forces community through thick and thin – ensuring their unique contribution is never forgotten. We've been here since 1921 and we'll be here as long they need us.

We are the country's largest Armed Forces charity, with 235,000 members, 110,000 volunteers and a network of partners and charities that help us give support wherever and whenever it's needed.

We support serving members of the Royal Navy and Royal Marines, British Army, Royal Air Force, Reservists, veterans and their families.

We help veterans young and old transition into civilian life, helping with employment, financial issues, respite and recovery, through to lifelong care and independent living.

From sports and arts-based rehabilitation courses to tailored personal support – we're by veterans' sides, every step of the way. Every year we take thousands of families on breaks, so they can spend some much-needed quality time together.

We also support older veterans with home adaptations, nursing services and through six dedicated care homes, run just for ex-Service men and women and their dependants.

ABOUT GALANOS HOUSE

At Galanos House, we recognise the importance of our residents' shared experiences. People here form special bonds and make new friends.

We offer nursing, residential and dementia care, as well as respite and day care. Our home is purpose built and opened on its current site in September 2002. It now has 91 spacious single rooms, all of which have en-suite facilities.

Our smaller lounge areas and seating alcoves give our home a cosy, comfortable feeling, where you can sit and relax with a good book, enjoy a board game or chat with friends over a coffee. Our air-conditioned conservatory gives our space an outdoor feel with an indoor temperature.

Our care has been classified as 'Outstanding' following a Care Quality Commission inspection in November 2017. Galanos House was also named 'Care Home of the Year 2015' by the National Care Awards, for its high standard of care and dedicated dementia care unit, Poppy Lodge.

OUR LOCATION

Galanos House is situated on the edge of Southam, a small market town in the heart of the Warwickshire countryside.

Our home is set within a number of attractive landscaped gardens.

We organise regular shopping trips in our minibus, as well as visits to the nearby historic towns of Warwick, Stratford-upon-Avon and Rugby.
